

# VOLUNTEER WITH CENTRAL SINGAPORE CDC

## VOLUNTEER AND SERVE THE COMMUNITY WITH US

Through our **suite of 52 programmes**, here are some of the key programmes that you and your organisation can consider to volunteer and serve the community with us.

Here's how **YOU** and **YOUR ORGANISATION** can make a difference with two easy steps:

- 1 Identify which areas/initiatives that you would like to volunteer from the list of initiatives below; and
- 2 Email us your contact details and we will liaise with you.

- **Promote lifelong learning and foster social interaction** through interest-based activities such as Chess

### Ways You Can Contribute

Facilitate chess workshops for residents to learn more about chess (training will be provided to familiarise volunteers with basic chess rules).

#### **Roles**

Facilitators

#### **When**

Throughout the year

- **Provide diverse learning opportunities** for youths who lack similar access to become Confident, Curious and Caring

### Ways You Can Contribute

DOTS' Providers - Provide 'unique' or specialised learning experiences (such as workshops, learning journeys, and so on) that youths from underserved profiles might not have easy access to.

Mentors - befriend, attend and go through the DOTS experiences (workshops/learning journeys) with the youths.

#### **Roles**

'DOTS' Providers,  
Youth Mentors

#### **When**

Throughout the year
